WINDOW SOLUTIONS TECHNICAL DETAILS

HomeGuard *plus*™

Reinforced with built in Intelligence

Designed to deliver the highest levels of security and protection as standard.

HomeGuard *plus*™ with Yale SensCheck™ Intelligence
Tradelink's HomeGuard *plus*™ is the ultimate in home security for windows and doors - strong, smart, and reliable. Engineered to exceed the highest standards, it gives you peace of mind knowing your home and loved ones are protected.

Smart Security
Integrated Yale SensCheck™ Intelligence detects unusual activity and instantly alerts you, combining physical security with real-time digital monitoring. Your home is not just protected - it's smart.

- HomeGuard *plus*™ with Yale Senscheck™
- Easy Set Up
- Real-Time Notifications
- Wireless
- Geo-Fencing
- Arm / Part Arm

HomeGuard *plus*™

Highest Security Standards for your home, with built in Intelligence

Key Features

Casement Locks
Locks are made from corrosion-resistant stainless-steel materials with steel laminated shoot bolts for maximum strength. Adjustable cams and shootbolts with bi-directional movement for added security.

Casement Hinges
Secure friction hinges built from high quality stainless-steel, egress 90 degree opening on side hung casements as standard. Optional, easy clean function and child safe restrictors are available.

Handles
Designed with sleek elegant aesthetics, push button security locking with door handles which are spring assisted for positive positioning. A fully colour suited range of both window and door handles.

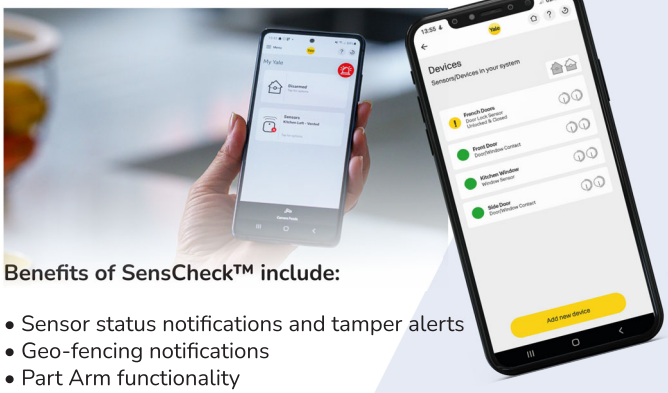

Door Locks
The ultimate in enhanced security, utilising 3 hooks 4 rollers and a latched deadbolt with optional top and bottom shoot bolts, fitted with a 3* cylinder as required.

With HomeGuard *Plus*™ and Yale SensCheck™
Intelligence, your home is secure, smart, and always one step ahead.

- Ability to upgrade to full Yale Smart Security System
- Integration with Amazon Alexa, Google Assistant and Philips Hue

About SensCheck™

Once your new smart windows or doors are installed, just scan the QR code to visit yalehome.co.uk and purchase SensCheck™ Sensors. These sensors are compatible with all supported HomeGuard *Plus*™ windows and doors.

Using SensCheck™ Sensors, you can check to see the status of your home, from anywhere, anytime.

Yale SensCheck™ Sensors are simple to install in compatible smart doors and smart windows, easy to set up and control through the Smart Living Home App.
